The Great Intergalactic Bun-Eating Contest has begun! Creatures from across the galaxy compete to devour more buns than anyone else — dodging sneaky traps, spoiled buns, cunning rivals and the dreaded Monster Chefs.

HOW IT PLAYS

- Deal 3 cards** to each player and place the deck in the centre.
- Play a bun** onto one of the three piles in the middle, then draw back up to 3. Each pile takes one colour only — spoiled buns go anywhere.
- Play a "2"** and take another turn. Use the **Monster Chefs'** special powers to get ahead.
- When the deck runs out, add up your buns and subtract the spoiled ones. **Most points wins!**

12+ Bring a pile to **12 or more** and it's yours!

WHY IT WORKS

- Learn in under a minute:** one simple rule — reach 12 and take the pile.
- Real family fun:** quick decisions, a dash of take-that and lots of laughs, for ages 6 and up.
- Characterful art** with bold colours and funny monster chefs that pop on the shelf.
- Small, light box** — easy to produce, ship and sell at impulse price.
- English rules ready** (bilingual ES/EN rulebook).
